GIFT AID DECLARATION

Gift Aid allows the London Mobile Christmas Service to recover tax paid by you on the donations you give. This currently increases the value of your donations by £2.82 for every £10 given, without any additional cost to you. The only requirement is that you currently pay UK Income or Capital Gains tax, and have paid the Inland Revenue an amount equivalent to - or greater than - the sum being claimed.

You don't need to declare the information on your tax return - it is picked up automatically - though if you are a higher rate taxpayer you may be able to claim back the difference between the higher rate and the basic rate on your tax return.

I would like the donation of	£	<input type="text"/>
